		M119	Brief Surv. Calculus I	F, Sp, Su	F, Sp		Pre: exam placment or M122
		M122	College Algebra	F, Sp, Su	Sp		

### Other Requirements

For a list of 200, 300, and 400-level offerings online or evenings, see

<https://apps.ius.edu/registrar/schedule-of-classes/semesters/fall-2017/> (or change the term)

Major electives run 36-60 hrs, depending on cse selections & prior credits.

Many students use them to enhance marketability through one or more minors useful to their career paths.

Students in all degrees must take at least 30 hrs at the 300/400-level, which may be for any of the 3 areas and the concentrn.

Other upper-level options may be in the chosen minor(s) or used as a general elective for the BGS.

### Key Information

The popularity of online courses makes them fast-evolving, which could change the term a course is offered after fall 17.

A limited number of sections may exist for a particular online course course, while an evening course has only one section.

**Check w. your advisor to ensure you take the right courses at the right time.**

**(Pre-) Register as early as you can to nail down your semester's schedule.**

For a BGS advisor appointment, call (812) 941-2327 or stop by US 207.
