SURVEY BACKGROUND AND SUMMARY

The Indiana University Southeast Alumni Survey was created in 2012 to obtain data necessary for the Office of Institutional Effectiveness (OIE), the Office of Development, and the Career Development Center. The instrument- found in Appendix A of this report- collects information pertaining to employment, graduate education, preparation for after college, perception of IU Southeast, satisfaction with the college experience, and updated contact information.

Spring 2019

Respondents for the 2019 survey administration were drawn from institution records of degree recipients and included alumni from the following graduation classes:

- May 2018, August 2018 and December 2018 graduates (One year out)
- 2015-2016 graduates (Three years out)
- 2013-2014 graduates (Five years out; previously surveyed three years out in 2017)

Response rates of the various graduation classes are below. Further demographic details of the respondents are found in the original Alumni Survey reports on the OIE webpage.

In addition, by-school reports are being made and distributed to each Dean. These and any ad hoc reports will be posted on the OIE website to support the institution's mission of transparency and to encourage respondents to take future assessments. By-major reports can be obtained via request to Sara Spalding in OIE at sajewell@ius.edu
