\*Purdue University – Calumet is interested in becoming a test center. They are looking to see if they have a suitable location.

\*\*NOTE: apparently, one must register and pay for the desired test(s) BEFORE Pearson's website will show testing centers and available times. Some registrants have stopped registration prior to payment, wanting to know when and where they would test before paying. One may cancel a testing appointment and get a full refund IF done at least 24 hours before the testing appointment.
