Field Supervisor/Mentor Information

To maintain our NCATE accreditation, the IU Southeast School of Education must document the background and expertise of field placement supervisors/mentors for clinical experiences with student teachers, counseling inters, or leadership protégés. This information is also required to process honorarium for the supervisor/mentor, if applicable. *Your information will be kept confidential.*

Please use the back or another sheet if you need more space. You may attach your state’s website report on your certifications and omit the related questions.

Thank you!

Jane Riehl and Jim Clements, Field Placement Coordinators
