

IU Southeast Office of Admissions Learning **Starts** Here

1

Prospective Students' first contact with IU Southeast is often through the Office of Admissions. Our staff provides:

- General information about campus
- Guidance through the application process
- Admissions decisions

2

The Office of Admissions provides outreach off-campus to:

- High Schools
- Home School Consortiums
- Two-Year Colleges
- Community Groups

3

Admissions organizes outreach events on-campus:

- Daily campus tours hosted by our Student Ambassador team
 - We host several high school and community groups on campus each year
 - Bi-annual Open Houses
 - In IUS Days for admitted students
 - Summer Discovery Days for prospective high school seniors
- ...and more!

4

Transfer Credit :

- Transfer credit is reviewed and posted for regionally-accredited two-and-four-year institutions
- The Transfer Specialist provides unofficial evaluations of transfer credit for students exploring college options.
- Faculty members determine *how* academic credit is accepted

Dual Credit with IU Southeast:

5

- Advanced College Project: Eligible high school students take courses with certified IU high school teacher at their school to earn college credit.
- Bridge to College: Eligible high school seniors take classes taught by IUS faculty at their high school or at IUS to earn college-level credit.
